Newsletter/ Circular 165 | 20 December 2005

Dear Members and Guests,

Herewith I send you information concerning the 26th International UIA-PHG Seminar in Pretoria/South Africa in August 2006.

**“Designing for Sustainable Healthcare Facilities in Africa:
Global Sharing, Local Relevance and Impact”**

In the attachments you will find:

- Invitation to participate in the UIA-PHG meeting in South Africa, August 2006 by Geoff Abbott.
- Proposed UIA-PHG Programme.
- First Announcement and invitation to participate, with Expression of Interest.
- UIA-PHG “Pink form”.

I hope you will be inspired by the programme and that you will attend the seminar and/or present a paper with a large number of people.

Beware that you have to fill in as well the pink form (to be sent to me) and the Expression of Interest (to be sent to Geoff Abbott).

We hope that you can respond before mid January 2006.

More information about the seminar, accommodation options and other details will be provided in the follow-up announcement.

What I also want to ask you is to send around the “First Announcement and invitation to Participate” to other organisations and individuals in your countries that might be interested, so we will get even more response to the seminar.

Looking forward to seen you all in South Africa in 2006.

Friendly Greetings,

Luub Wessels,
Director UIA Public Health Group.
