UIA Public Health Work Group Directors Update

Welcome to this Fall /Winter edition of the UIA Public Health Group Newsletter.

I am pleased to announce that the UIA-PHG will have two opportunities to meet in 2017.

The first meeting will be in London, England in partnership with the 3rd European Healthcare Design 2017 Congress & Exhibition (EHD 2017), held at the Royal College of Physicians, from 11-14 June.

The second meeting is being planned for Sydney, Australia in September 2017 in partnership with the Australasian College of Health Service Management (ACHSM), held at the Hilton, from September 27-29.

UIA-PHG Seminar & 3rd European Healthcare Design 2017 Congress & Exhibition, June 11-14, 2017

European Healthcare Design 2017 (EHD 2017) is a global forum for the exchange of knowledge on the relationship between health system and service design, technology and the built environment. For additional information, please see: <http://www.europeanhealthcaredesign.eu>

Call for Papers

The deadline for the EHD 2017 / UIA-PHG Call for Paper's is December 8th, 2016. However, the organisers have agreed that a deadline extension of up to one week will be available to UIA-PHG members by contacting the congress secretariat directly at info@europeanhealthcaredesign.eu. Papers chosen for the EHD 2017 congress will be presented on Monday 12th and Tuesday 13th of June, 2017. All papers chosen are also filmed with the videos published by the organisers after the event.

Once the EHD 2017 program is published in February, papers from UIA-PHG members not chosen for the programme on Monday or Tuesday will be presented at a day-long event on Sunday 11th June, supporting the UIA-PHG annual meeting. These papers will also have the opportunity of a poster presentation during the EHD 2017 programme.

To submit please review the following links:

UIA-PHG Student & Young Architect Competition

2017 UIA-PHG International Student & Young Architect Competition: Smart, Green & Beyond: Health Care Facility of the Future

The International Union of Architects Public Health Group (UIA-PHG), the Global University Program in Healthcare Architecture (GUPHA) and the China Hospital Construction Conference (CHCC) are accepting submissions for their newly launched competition, "Smart, Green & Beyond: Healthcare Facility of the Future", which seeks to raise awareness about sustainability in the design of healthcare facilities.

The competition regulations are in accordance with the UIA-UNESCO Guidelines for International Design Competitions, and the competition was organized in cooperation with the UIA International Competitions Commission and the UIA General Secretariat.

2015 UIA-PHG Competition First-Prize Winners: "A Healing Village for the Ebola Outbreak" by Asma Sanasee & Emily McGowan

Objectives

The competition organizers are looking for innovative proposals that address the challenges facing the healthcare industry. Competitors will explore the following questions, eliciting creative responses to current issues in healthcare design, including dealing with limited resources, utilizing new technologies, meeting the needs of an increasing population and reducing cost.

UIA-PHG Student & Young Architect Competition (cont'd)

Principal dates of the competition

5 November 2016: Competition launched / beginning of Question & Answers
15 February 2017: Last day for Question & Answers and last day for Registration
31 March 2017: Deadline for project submission
20-22 May 2017: Selected entries (note: not the winning projects) will be displayed at the China Hospital Construction Conference
14 June 2017: Announcement of winning projects at the European Healthcare Design Conference

Awards

Group A:

First prize: USD \$8,000 and certificate
Second prize: USD \$5,000 and certificate
Third prize: USD \$3,000 and certificate
Honorable Mentions (up to 15% of entries): Certificate

Group B:

First prize: USD \$8,000 and certificate
Second prize: USD \$5,000 and certificate
Third prize: USD \$3,000 and certificate
Honorable Mentions (up to 15% of entries): Certificate

Eligibility

The competition is divided in two categories: Group A (Full-time students at undergraduate, graduate or doctoral levels) and Group B (Qualified architects under 35 years of age by the submission date).

Participants in both can compete as part of a team of no more than 3 members. Multidisciplinary teams including members from varied fields (e.g. architecture, medicine, public health and engineering) are welcome, as long as the team is led by an architect.

Teams including members from both Group A and Group B will be categorized in Group B.

Each team submits only one project each.

There is no entry fee. The language of the competition is English.

Information and registration

Visit www.uia-phg.org for more details about the competition and the 2017 UIA-PHG + GUPHA Annual Seminar

Global University Program in Healthcare Architecture (GUPHA) Update

Arrangements are now underway to hold the annual meeting for the Global University Program in Healthcare Architecture (GUPHA) in conjunction with the 2017 UIA PHG Seminar in London, England June 11-14, 2017. The aim of the annual meeting is to share information and developments in the practice of teaching students of healthcare architecture courses undertaken in the countries represented by the UIA PHG.

UIA PHG Website

Improvements have recently been made to the UIA PHG website at www.uia-phg.org. The next section to be updated will be the history of the UIA PHG.

Report from the 2016 Annual Meeting in Nairobi, Kenya

The report is expected to be available early in the new year.

Call for Newsletter Submissions

The Newsletter Team would like to invite all UIA-Public Health Group Members and Guest to share information and news about their country's UIA-PHG activities. If an event is planned or has taken place, the Newsletter Team would like to hear from you. All submissions can come in the form of text and pictures and can be emailed to Cliff Harvey, UIA-PHG Member from Canada. The email is Cliff.Harvey.UIAPHG@bell.net
